OBSERVATIONS AND CORRECTIVE ACTIONS

Item	MI /MA/ CR	Remarks	Date for Correction
1.1	MA	Use of home bottled or canned low acid foods is not permitted. Observations: Home bottled jam container lid was popped. Home bottled goods for use by the private resident upstairs should be clearly identified and stored separately from other foods. Corrective Actions: Popped lid product was removed from the operation.	Corrected
1.2	MA	Badly dented canned foods. Observations: Badly dented can was observed to have leaked. Comment: Ensure that products are inspected when purchasing and in good condition. Scan the remainder of storage for dented cans. Corrective Actions: Can removed from the operation during the inspection.	Corrected
2.2	MI	Freezers shall be at -18°C (0°F) or less except for ice cream that is being held for service. Observations: Freezer logs not in place. Comment: Implement and maintain freezer temperature logs.	Immediately
2.6	MA	Foods shall be stored in a manner to prevent cross contamination (stored in impervious containers once opened, scoops kept out of bins, not directly on floor). Observations: Scoops left in the flour and sugar bins. Comment: Store scoops in a manner in which they will not potentially contaminate the food. Corrective Actions: Staff removed the scoops for cleaning during the operation.	Corrected
2.7	MI	Food for the personal use of management staff and employees shall be kept separate and apart from all other food on the premises. Observations: Food for private use and staff use was stored along with the rest of the food. Comment: Designate an area and clearly identify it for storage of personal items. Obtain an additional fridge if needed and space is not sufficient.	Immediately
