

## **Food Premises Inspection Summary Report**

|                  |            | CLOSING  | COMMENTS                            |                          |                   |
|------------------|------------|--|-------------------------------------|--------------------------|-------------------|
| 3.1              | MI         | Floors, walls and ceilings shall be kept clean and sanitary. Immediate Observations: Floors underneath and behind equipment are soiled. Comment: Increase frequency of cleaning hard to reach areas.   |                                     |                          |                   |
| 2.1              | MA         | All potentially hazardous foods shall be stored at or below 4°C (40°F) or at or above 60°C       Corrected (140°F).         Observations: Oil, garlic and other mixtures were stored at room temperature.       Comment: Oil and garlic mixtures are considered potentially hazards foods and must be kept refrigerated so as to prevent anaerobic bacteria growth.       Corrective Actions: Food handler voluntary discarded the garlic, oil and other mixtures. |                                     |                          |                   |
