### OBSERVATIONS AND CORRECTIVE ACTIONS

Item	MI /MA/ CR	Remarks	Date for Correction
------	------------	---------	---------------------

### CLOSING COMMENTS

Following an attempt to complete an inspection, a phone conversation with the owner verified that the business is not currently operational. He specified that he will be renewing his licence for 2024 but is unsure whether he will operate. He was instructed to call us prior to operating so that an inspection can take place. Should he decide to continually not utilize his licence and be unavailable for multiple inspection cycles, his licence may be terminated. No signature obtained.
