		Date of Inspection:	October 16, 2023

MI - Minor infraction; MA - Major infraction; CR - Critical infraction; CDI - Corrected During Inspection; N/A - Not Applicable

OBSERVATIONS AND CORRECTIVE ACTIONS

Item	MI /MA/ CR	Remarks	Date for Correction
1.1	MA	Use of home bottled or canned low acid foods is not permitted. Observations: Canned rhubarb was stored on site. Comment: Low acid canned foods are not permitted. Corrective Actions: The operator discarded the product during the inspection.	Corrected
2.2	MI	Freezers shall be at -18°C (0°F) or less except for ice cream that is being held for service. Observations: No logs for freezers. Comment: Implement and maintain temperature records.	Immediately
8.2	MA	A suitable food grade sanitizer shall be available and at the recommended concentration. Observations: The bleach sanitizer solution was at 50ppm during the inspection. Comment: Ensure the solution is prepared to 100ppm chlorine Corrective Actions: The staff prepared a solution during the inspection.	Corrected
10.2	MI	Walls shall be of sound construction and in good repair. Observations: Backsplash in kitchen was not finished during recent renovations, exposing wall materials. Comment: The operator advised a contractor is retained to do the work. Limit storage of items that may scuff the surface and contaminate food preparation surfaces, such as the utensil holder, until the surfaces are repaired.	Immediately
2.6	MI	Outstanding Infraction: Shelves/cupboards shall be designed to facilitate effective cleaning and sanitation and be of sound construction and in good repair. Comment: Inside of shelving still needs to be resurfaced to facilitate cleaning.
