### OBSERVATIONS AND CORRECTIVE ACTIONS

Item	MI /MA/ CR	Remarks	Date for Correction
7.3	MI	<b>Outstanding Infraction: Water temperature and/or sanitizer concentration shall be verified daily to ensure that effective sanitizing is occurring.</b> Comment: No dishwasher sanitizer verification log implemented, resources had been sent to the operator.	March 22, 2024
7.4	MI	<b>Outstanding Infraction: Sanitizer concentration shall be verified daily to ensure that effective sanitizing is occurring.</b> Comment: No bleach sanitizer verification log implemented, resources had been sent to the operator.	March 22, 2024
9.1	MI	<b>Outstanding Infraction: Paper towel dispensers shall be available.</b> Comment: Paper towel dispenser on order.	March 22, 2024
3.3	MA	<b>Outstanding Infraction: Hot holding temperatures shall be checked regularly and recorded once during every 4 hours of operation (once food is placed in unit) and logs shall be available for inspector review</b> Comment: Hot holding logs are still not completed as required.	March 22, 2024
8.1	MA	<b>Outstanding Infraction: Non-food contact equipment shall be kept clean and sanitary.</b> Comment: Some cleaning was conducted but not up to the expected standards. Cleaning schedule/checklist has not been submitted or implemented, to be submitted to the inspector prior to the follow-up.	March 22, 2024
11.1	MA	<b>Outstanding Infraction: The food premises shall be designed and maintained in such a way as to prevent cross-connections between non-potable water and the potable water supply. Examples of non-potable water include but are not limited to the waste water system, soap and sanitizer dispensers, hoses attached to faucets with no air gap, etc.</b> Comment: The hose was still hanging below the fill line during the re-inspection. Have this faucet repaired or replaced.	March 22, 2024

### CLOSING COMMENTS

All infractions were expected to be resolved before the re-inspection. All remaining infractions must be resolved for the next follow-up inspection or further action will be taken. Follow-up inspection scheduled for March 22, 2024.
