OBSERVATIONS AND CORRECTIVE ACTIONS

Item	MI /MA/ CR	Remarks	Date for Correction
1.3	MI	Foods must be properly labeled with the item name. Observations: Foods were labelled with date of preparation, but not item name. Corrective Actions: Name of item in containers was added.	Corrected
2.6	MI	Shelves/cupboards shall be designed to facilitate effective cleaning and sanitation and be of sound construction and in good repair. Observations: Area currently used for dry storage is not in a condition where the shelving/ cupboards can be easily cleaned and sanitized. PHI made recommendations for changes that can be made to the storage space, including the addition of a locked space, finishing/resurfacing of shelving that is currently bare wood and textured surface so it can be properly cleaned and sanitized.	September 30, 2024
7.1	MI	Non-food contact equipment shall be located and maintained such that it functions in the manner intended and can be easily cleaned and sanitized. Observations: Small refrigeration unit is currently in use on top of another refrigerator. It is in a precarious position, is not easily reached, and is not easily accessible in order for cleaning and sanitizing. Corrective Actions: Refrigeration unit removed to dry storage area.	Corrected
